EXCITING NEWS!

Tom Berryhill awarded 'Elite Grand Champion.'

Tom Berryhill is a current volunteer here at Christ the King Manor. In October, it was announced that Tom collected over \$4,350 for the annual Walk to End Alzheimer's! This walk is held nationwide in more than 600 communities annually and is the largest event in the world that helps raise awareness and funds for the Alzheimer's Association. Tom was awarded the only 'Elite Grand Champion' title in our region. We are so proud of your efforts to help financially support the Alzheimer's Association's mission to work to advance Alzheimer's care, support, and research across the world.

Dining Room Renovations

Christ the King Manor is excited to announce that we will start a full reconstruction of the kitchen and dining room in our facility in the spring. This much needed update will provide the staff with upgraded equipment and better work space to cook and serve delicious and nutritious meals to our residents. It will also include brighter, more accessible dining space for our residents to enjoy their meals as well as a coffee bistro that will open to residents, families, and staff all day.

The goal for these renovations is simple, since our residents rely on us for three meals per day, we want those meals to be served in a timely manner with quality food.

These upgrades and renovations will allow for this to happen.

Look for these exciting changes to begin in the spring of 2020.

RESIDENTS HAVE LOTS TO DO!

We Salute Our Veterans!

On Veterans Day, we were able to recognize our residents and employees who have served our nation as well as all veterans during our Veterans Day Program in the Chapel.

We are so grateful to the brave men and women in uniform whose service and sacrifice have protected our freedoms for generations.

The DuBois Honor Guard and Matt Gabler were here to help us recognize and honor those who served. Their sobering and reverent program was very meaningful to all in attendance.

CHRIST THE KING MANOR

A huge appreciation goes out to the Activities Department at Christ the King Manor for putting together such an amazing program for our residents, employees, and guests.

RESIDENTS HAVE LOTS TO DO!

PEER Graduation

Christ the King Manor had eight residents graduate from the PEER program on the ninth of November this year. The Department of Aging offers a Pennsylvania Empowered Expert Residents Program, otherwise known as the PEER Program. These eight residents are ones who are in long-term care and are now trained to self advocate and empower

fellow residents to improve the quality of life and the quality of care at Christ The King Manor.

The PEER Program is open to all residents here at Christ The King Manor. This program consists of a 5-part empowerment training and ends with a graduation ceremony!

Congratulations!

RESIDENTS HAVE LOTS TO DO!

Happy Halloween!

Halloween was a blast this year. The residents and employees of Independent Living, Personal Care, and Skilled Care participated in the activities throughout our campus.

CHRIST THE KING MANOR

Our Independent Living hosted a Halloween Party in the Community Center, where many of the residents of the Cottages and Apartments, along with employees, dressed up for some Halloween treats and activities.

The residents in Personal Care and Skilled Care prepared for Halloween by making crafts, dressing up, and decorating pumpkins. They also enjoyed giving out candy to families throughout Christ the King Manor on Halloween.

RESIDENTS HAVE LOTS TO DO!

Al and Karen are acoustic, spiritual music performers who are better known as 'Spiritbound'. Every month they play for our residents. In December, Al brought in a guitar for one of our residents, Tony Rend. Tony used to sing professionally and still enjoys playing and listening to music. Check out the Activities Calendar to see when 'Spirit Bound' is performing again.

The Singing Dutchmen came in November and December this year. They entertained our residents and staff by singing pop songs like "Calendar Girl" and "The Muffin Man". We look forward to having them come many more times in this new year!

Cory performed songs of praise for our residents!

Music is the medicine
of the mind

Thanksgiving Celebrations

Every resident of our continuum of care community celebrated Thanksgiving this year. Many of the independent living residents in The Apartments and Cottages, along with their families enjoyed some homemade, pre-reserved dinner from our cook, Tina, at The Café!

For the residents in Christ the King Manor's Personal Care and Skilled Care, they, too, were able to enjoy turkey, mashed potatoes, stuffing, and other delicious Thanksgiving dinner food options!

Also, thank you to Rose's on Main and Two Birch Winery for helping us show thanks to our nurses during the Create and Sip we had in November.

**We are thankful
for all of our
employees and
all that they do
for our residents.**

We are a family!

Merry Christmas!

So many organizations and businesses donated to our residents this Christmas season. We all are so appreciative for everything that has been donated to us and our residents during the holidays.

This year, we celebrated Christmas all month long. Residents helped decorate the halls of Skilled Care and Personal Care. Independent Living residents helped decorate the Community Center and the Apartment community areas.

On December 9, The Community Center hosted their December meal in celebration of the Christmas season, which was Christ the King Manor's Christmas gift to those residents. Over 125 individuals in our independent living joined to celebrate.

Some activities that happened over the Christmas season were: popcorn and cranberry stringing, Christmas ornament making, local organizations and schools caroling, live instrumental music, and Light Up Christ the King Manor.

Light Up Christ the King Manor

The First Annual Light Up Christ the King Manor had a great turn out. Residents, employees, and members of the surrounding communities joined in on our celebrations, on December 6th. This free event came to mind following the generous donation by Dennis Heindl who donated over \$50,000 of Christmas decorations to our facility the season. We we so delighted by these decorations that we decided to share them with the surrounding communitis during this event.

The light up night started at noon as our Christmas Showcase and Craft Fair in the Community Center. Around 6:00 pm, the community gathered for the blessing of our 40-foot Christmas tree and recognition of Mr. Heindl. Throughout the campus, we had carolers from the DuBois Area High School Chorus Club, a Live Nativity from Calhoun Farm & Market and St. Tobias Catholic Church, pictures with Santa, snacks, warm beverages, bottles of water from AmeriGas, and free light-up gear. We are looking forward to having many more events for our residents,employees, and our community.

THE WOW AWARDS

Wow Awards are given to employees of Christ The King Manor when residents or their family members have noticed their exceptional work. Employees can nominate other co-workers from another department for a Wow Award, too. Residents, their family members, or other employees have the ability to submit the name of the outstanding individual who went above and beyond to the Director of Human Resources. Once submitted, our Director of HR will pin a “WOW” ribbon on the employees name tag. Congratulations to all of our Wow Award recipients from September through December. We appreciate your consistent efforts in striving towards our mission everyday.

We hope to see more and more Wow Award recipients in the future!
