

Implementation Plan for Reopening In Accordance with the Pennsylvania Department of Health's Interim Guidance for Skilled Nursing Facilities During COVID-19

This template is provided as a suggested tool for skilled nursing facilities to use in developing their Implementation Plan for reopening. This (or another version of an Implementation Plan) is to be posted on the facility's website (if the facility has a website) or available to all residents, families, advocates such as the Ombudsman and the Department upon request. This is NOT to be submitted to the Department.

FACILITY INFORMATION	
This section contains the name and location of the facility along with contact information for an individual designated by the facility. That individual does not have to be the Nursing Home Administrator but should be someone available to respond to questions regarding the Implementation Plan.	
1. FACILITY NAME Christ The King Manor	
1100 West Long Ave	
2. CITY Dubois	3. ZIP CODE 15801
4. NAME OF FACILITY CONTACT PERSON Paula Felton-Werner, CEO/ Chief Administrator	5. PHONE NUMBER OF CONTACT PERSON 814-371-3180

DATE AND STEP OF REOPENING
The facility will identify the date upon which all prerequisites will be met for reopening and the Step at which the facility will enter reopening. Those facilities that experienced a significant COVID-19 outbreak will identify the date the Department of Health survey was conducted (that is required prior to reopening).
6. DATE THE FACILITY WILL ENTER REOPENING 3/8/2021
7. SELECT THE STEP AT WHICH THE FACILITY WILL ENTER REOPENING – EITHER STEP 1 OR STEP 2 (<u>CHECK ONLY ONE</u>) <input checked="" type="checkbox"/> Step 1 <i>The facility must meet all the Prerequisites, including the baseline universal test for COVID-19 administered to staff and residents (in accordance with the June 8, 2020, Order of the Secretary of Health)</i> <input checked="" type="checkbox"/> Step 2 <i>The facility must meet all the Prerequisites, including the baseline universal test for COVID-19 administered to staff and residents (in accordance with the June 8, 2020, Order of the Secretary of Health)</i> AND <i>Have the absence of any new facility onset of COVID-19 cases for 14 consecutive days since baseline COVID-19 testing</i>
8. HAS THE FACILITY EXPERIENCED A SIGNIFICANT COVID-19 OUTBREAK? (IF NO, SKIP TO #11) NO, not in the last 14 days

DATE AND STEP OF REOPENING

9. DATE THE FACILITY WAS SURVEYED BY THE DEPARTMENT OF HEALTH TO ENSURE THE FACILITY IS ADEQUATELY PREVENTING TRANSMISSION OF COVID-19

2/19/2021

STRATEGY FOR TESTING, COHORTING, PERSONAL PROTECTIVE EQUIPMENT, AND STAFFING

To ensure the facility has taken appropriate measures to protect residents and staff, descriptions of those strategies are required in this section (prerequisites to reopening).

10. DATE RANGE FOR THE BASELINE UNIVERSAL TEST ADMINISTERED TO STAFF AND RESIDENTS (BETWEEN MAY 24, 2020 AND JULY 24, 2020) IN ACCORDANCE WITH THE [JUNE 8, 2020, ORDER OF THE SECRETARY OF HEALTH](#)

6/15/2020 to 7/10/2020

11. DESCRIBE THE CAPACITY TO ADMINISTER COVID-19 DIAGNOSTIC TESTS TO ALL RESIDENTS SHOWING SYMPTOMS OF COVID-19 AND TO DO SO WITH 24 HOURS

Christ the King Manor will continue to conduct the 2nd testing for all returning and new residents to confirm negative result. All residents will be continued to monitored daily for signs and symptoms, would be placed in isolation if necessary and tested. The facility will receive diagnostic testing through Penn Highland Dubois Hospital or Quest Labs with facility RN staff conducting/administering testing for all residents. Christ the King Manor has the availability to conduct POC testing if necessary.

12. DESCRIBE THE CAPACITY TO ADMINISTER COVID-19 DIAGNOSTIC TESTS TO ALL RESIDENTS AND STAFF IF THE FACILITY EXPERIENCES AN OUTBREAK

Christ the King Manor will administer COVID-19 testing for all residents and staffing if the facility experiences an outbreak with the support of Penn Highlands Dubois Hospital, Quest Labs or POC tests will be administered by the RN team at Christ the King Manor.

13. DESCRIBE THE CAPACITY TO ADMINISTER COVID-19 DIAGNOSTIC TESTS TO ALL STAFF, INCLUDING ASYMPTOMATIC STAFF

Christ the King Manor will administer COVID-19 testing for all staff members in partnership with Penn Highlands Dubois Hospital, Quest Labs or POC. Staff members are monitored at the beginning and the end of their shifts for signs and symptoms.

14. DESCRIBE THE PROCEDURE FOR ADDRESSING NEEDED TESTING OF NON-ESSENTIAL STAFF AND VOLUNTEERS

Christ the King Manor will require testing of all non-essential staff members and volunteers. The same protocols will be followed as we do for all staff members.

15. DESCRIBE THE PROCEDURE FOR ADDRESSING RESIDENTS OR STAFF THAT DECLINE OR ARE UNABLE TO BE TESTED

Christ the King Manor will continue to test all new and returning residents and place them on our isolation unit until 14 days have past or if resident refuses testing they are required to be placed into isolation for 14 days and treated as they have active case of COVID-19.

Christ the King Manor staff members are required as a condition of employment to be tested and report any change in condition immediately to supervisor.

16. DESCRIBE THE PLAN TO COHORT OR ISOLATE RESIDENTS DIAGNOSED WITH COVID-19 IN ACCORDANCE WITH [PA-HAN-509](#) PURSUANT TO SECITON 1 OF THE *INTERIM GUIDANCE FOR SKILLED NURSING FACILITIES DURING COVID-19*.

Christ the King Manor has a designated isolation unit, all returning and new residents are required to be placed in this part of the facility until 14 days are past and negative results received or if refusal of test they are isolated for 14 days. All residents that receive negative results are moved off unit to other areas to comply with cohorting requirements.

STRATEGY FOR TESTING, COHORTING, PERSONAL PROTECTIVE EQUIPMENT, AND STAFFING

17. DESCRIBE THE CURRENT CACHE OF PERSONAL PROTECTIVE EQUIPMENT (PPE) AND THE PLAN TO ENSURE AN ADEQUATE SUPPLY OF PPE FOR STAFF (BASED ON THE TYPE OF CARE EXPECTED TO BE PROVIDED)

Christ the King Manor partners with local and national vendors to obtain necessary PPE. The facility following CDC guidelines for optimizing PPE since supplies are not always readily available. For the designated isolation unit all staff members use the disposal or reusable PPE. Those staff members that do not work in those designated areas are able to wear cloth masks to maximize availability of PPE supply.

Secondly, we have submitted contract with national vendors to secure supply of PPE (MEDLINE).

18. DESCRIBE THE CURRENT STAFFING STATUS AND THE PLAN TO ENSURE NO STAFFING SHORTAGES

Christ the King Manor maintains a higher than required staffing level by our Federal and State guidelines. If we have to re-allocate duties, partner with local agencies, and created consistency in care teams to minimize unnecessary exposure.

19. DESCRIBE THE PLAN TO HALT ALL REOPENING FACILITIES IF THE COUNTY IN WHICH THE FACILITY IS LOCATED IS REVERTED TO A RED PHASE OF THE GOVERNOR'S REOPENING PLAN

Christ the King Manor will adhere to all orders by the Governor to halt reopening.

SCREENING PROTOCOLS

In each block below, describe the screening protocol to be used including where screening occurs, method of determining symptoms and possible exposure, and action taken if screening reveals possible virus.

20. RESIDENTS

Christ the King Manor screening protocol use for residents is to have all residents with initial COVID-19 completed prior to admission or re-admission. The second COVID-19 screen will be completed after 24 hours per CDC guidelines. All new and returning residents are placed in isolation unit until negative results or 14 days have past. All residents are screened daily for signs and symptoms including temperature checks, pulse ox, and clinical observations. If screening reveals possible virus resident is immediately placed in isolation precautions and monitored and tested for COVID-19.

21. STAFF

Christ the King Manor screening protocol used for employees occurs through one entrance area. All employees are required to check temperature, update any changes to their screening questionnaire that includes travel to hot spots, direct exposure to anyone diagnosed with COVID-19, or any changes in their condition including sore throat, unexplained cough, fever, loss of taste or smell. Employees are required to alert their supervisor and RN immediately if not feeling well during shift and they are sent home. Employees will be required to alert their PCP to current symptoms if reporting they are not feeling well and may not be able to return to work if free of symptoms. All employees who are traveling for vacation are required to complete an attestation prior to vacation and before returning. If the facility believes that vacationing employee has exposed themselves, they will not be permitted to return to work until negative COVID-19 test. All employees are required to temperature check prior to leaving end of shift, if any indication of symptoms they are required to immediately alert supervisor and RN.

22. HEALTHCARE PERSONNEL WHO ARE NOT STAFF

Christ the King Manor screening protocols used for HCP who are not employees of Christ the King Manor are required to enter one main entrance, at this point they are screened with questionnaire, temperature checks, hand sanitizing, and required to wear appropriate PPE.

SCREENING PROTOCOLS

23. NON-ESSENTIAL PERSONNEL

Christ the King Manor screening protocols for non-essential personnel is to provide completion of questionnaire, temperature screen and wearing appropriate PPE. Currently, we are not permitting non-essential personnel in the property unless emergency services are required.

24. VISITORS

Christ the King Manor screening protocols for visitors are completion of questionnaire, temperature screen and wearing appropriate PPE. Visitors are not permitted currently, unless compassionate care visits.

25. VOLUNTEERS

Christ the King Manor screening protocols for volunteers are completion of questionnaire, temperature screen and wearing appropriate PPE. Volunteers are currently not permitted at Christ the King Manor.

COMMUNAL DINING FOR RESIDENTS UNEXPOSED TO COVID-19

Communal dining is the same for all steps of reopening so there is no need to differentiate among the three steps.

26. DESCRIBE COMMUNAL DINING MEAL SCHEDULE, INCLUDING STAGGERED HOURS (IF ANY)

Christ the King Manor communal dining is providing one resident per table to provide adequate social distance between all residents. Some residents remain in their rooms to eat meals and those residents who require assistance are assisted by certified feeding assistances or nursing personnel at single tables.

27. DESCRIBE ARRANGEMENT OF TABLES AND CHAIRS TO ALLOW FOR SOCIAL DISTANCING

Christ the King Manor has several dining areas. All dining areas have been space at least 6 feet apart or greater to provide appropriate social distance. All residents are at single table or two per table if large enough to support social distancing guidelines.

28. DESCRIBE INFECTION CONTROL MEASURES, INCLUDING USE OF PPE BY STAFF

Christ the King Manor infection control measure following in line with both CDC guidelines and Department of Health recommendations. All staff members have received education related to PPE, hand washing and overall infection control practices. Education is continual and on-going to ensure infection control practices are understood and executed. Due to the shortage of availability of PPE, Christ the King Manor adheres to the CDC guidelines for optimizing PPE.

29. DESCRIBE ANY OTHER ASPECTS OF COMMUNAL DINING DURING REOPENING

Christ the King Manor will utilize the spaces available to ensure social distancing is appropriate, residents are adhering to guidelines that are required and staff working to ensure all outlined CDC, DOH and CTKM Infection Control policies are optimal.

ACTIVITIES AND OUTINGS

In each block below, describe the types of activities that will be planned at each step and the outings that will be planned at Step 3 (an all-inclusive list is not necessary). Include where they will be held and approximately how many residents will be involved. Describe how social distancing, hand hygiene, and universal masking will be ensured. Also include precautions that will be taken to prevent multiple touching of items such as game pieces.

ACTIVITIES AND OUTINGS

30. DESCRIBE ACTIVITIES PLANNED FOR STEP 1 (FIVE OR LESS RESIDENTS UNEXPOSED TO COVID-19)

Christ the King Manor plans activities for step one to utilize our main dining room area and activities room to provide activities. Since we have large spaces, CTKM has opportunity to appropriately space residents according to CDC and DOH guidelines and requirements. CTKM will continually educate residents on the requirements necessary. All supplies, tables and games will be properly disinfected with sanitizer. Activities staff will monitor to adhere to social distancing and be responsible for disinfected supplies and tables after each activity.

31. DESCRIBE ACTIVITIES PLANNED FOR STEP 2 (TEN OR LESS RESIDENT UNEXPOSED TO COVID-19)

Christ the King Manor plans activities for step one to utilize our main dining room area and activities room to provide activities. Since we have large spaces, CTKM has opportunity to appropriately space residents according to CDC and DOH guidelines and requirements. CTKM will continually educate residents on the requirements necessary. All supplies, tables and games will be properly disinfected with sanitizer. Activities staff will monitor to adhere to social distancing and be responsible for disinfected supplies and tables after each activity.

32. DESCRIBE ACTIVITIES PLANNED FOR STEP 3

Christ the King Manor plans activities for step one to utilize our main dining room area and activities room to provide activities. Since we have large spaces, CTKM has opportunity to appropriately space residents according to CDC and DOH guidelines and requirements. CTKM will continually educate residents on the requirements necessary. All supplies, tables and games will be properly disinfected with sanitizer. Activities staff will monitor to adhere to social distancing and be responsible for disinfected supplies and tables after each activity.

33. DESCRIBE OUTINGS PLANNED FOR STEP 3

Christ the King Manors plan for outing with residents, will only take limited number of people on each outings. The frequency of number may be provided to support the separation necessary for social distancing.

NON-ESSENTIAL PERSONNEL

In Step 2, non-essential personnel deemed necessary by the facility are allowed (in addition to those already permitted in Section 4 of *Interim Guidance for Skilled Nursing Facilities During COVID-19*). In Step 3, all non-essential personnel are allowed. Screening and additional precautions including social distancing, hand hygiene, and universal masking are required for non-essential personnel.

34. DESCRIBE THE LIMITED NUMBER AND TYPES OF NON-ESSENTIAL PERSONNEL THAT HAVE BEEN DETERMINED NECESSARY AT STEP 2

Christ the King Manor has determined that # of non-essential personal are necessary due to repairs and system upgrades. The following is the need for non-essential personal: 1. Septic Repairs- 2. Tech and Security Provider- completion of computer system, phone and security upgrades.

35. DESCRIBE HOW SOCIAL DISTANCING, HAND HYGIENE, AND UNIVERSAL MASKING WILL BE ENSURED FOR NON-ESSENTIAL PERSONNEL AT STEPS 2 AND 3

Christ the King manor will require that all non-essential employees go through initial education upon returning to provide work for facility regarding, infection control, hand hygiene, screening requirements, patient areas they are not permitted to work, and universal masking protocols.

36. DESCRIBE MEASURES PLANNED TO ENSURE NON-ESSENTIAL PERSONNEL DO NOT COME INTO CONTACT WITH RESIDENTS EXPOSED TO COVID-19

Christ the King Manor will educate all non-essential personnel of required areas they would not be able to work, avoiding areas or units that are designated as COVID-19/isolation units prior to work starting.

VISITATION PLAN

For visitation to be permitted in Steps 2 and 3 of reopening (as described in Section 6 of *Interim Guidance for Skilled Nursing Facilities During COVID-19*), the following requirements are established. Screening and additional precautions including social distancing, hand hygiene, and universal masking are required for visitors.

37. DESCRIBE THE SCHEDULE OF VISITATION HOURS AND THE LENGTH OF EACH VISIT

Christ the King Manor has outdoor visitation stations, 3 in main activities areas and 1 in Memory Support Unit. Visitation stations are scheduled with the activities department and are limited to 45 minutes or longer if appropriate. All visitors are required to adhere to current directive from the Department of Health recommendations for masking, hand hygiene and screening protocols. Directed to only stay in the location designated by the Activities team, resident is then brought out to the visitation station which is constructed with plexi-glass on three sides and additional barrier is placed on visitation station to denote parameters for visitors to be. CTKM limits the number of visitors to 2 at time and children are permitted only with support by an adult. Once visitation is complete, the Activities team will disinfect area to ensure all high touch areas are sanitized and cleaned before others would be permitted to use the visitation station.

Internal visitation will be conducted only after 14 consecutive days of no new positive cases of COVID-19 with employees or residents. Once this is achieved visitation will be restricted to the following guidelines:

1. WELCOME BACK! We ask you adhere to all guidelines during your visit to ensure the safety and well-being of the residents of Christ the King Manor. They are as follows:• We ask you contact the Activities Department to schedule the time to visit so that we can be prepared in advance to conduct screening requirements.

- All visitors must be screened (temperature check, questionnaire, hand hygiene and wear face mask) • Face masks must be worn at all times during the visit. PLEASE DON'T remove your mask at any time during your visit. COVER ENTIRE NOSE AND MOUTH. • All visitors are only to be in the resident room or activities room for your visit. Please do not go into other resident rooms, dining rooms or common areas. We ask you go directly to the residents' room when you enter and when you leave directly to the main entrance. • We ask you wash your hands prior to your visit and after to help avoid the spread of infections. •

Compassionate Care Visits Visits for compassionate care, such as an end-of-life situation or a resident in decline or distress should be allowed at all times for any resident (vaccinated or unvaccinated), regardless of the above scenarios. In addition, facilities and visitors should continue all infection prevention and control practices.

38. DESCRIBE HOW SCHEDULING VISITORS WILL OCCUR

All visitation will be scheduled through the Activities Department

VISITATION PLAN

39. DESCRIBE HOW VISITATION AREA(S) WILL BE SANITIZED BETWEEN EACH VISIT

Christ the King Manor has outdoor visitation stations, 3 in main activities areas and 1 in Memory Support Unit. Visitation stations are scheduled with the activities department and are limited to 45 minutes or longer if appropriate. All visitors are required to adhere to current directive from the Department of Health recommendations for masking, hand hygiene and screening protocols. Directed to only stay in the location designated by the Activities team, resident is then brought out to the visitation station which is constructed with plexi-glass on three sides and additional barrier is placed on visitation station to denote parameters for visitors to be. CTKM limits the number of visitors to 2 at time and children are permitted only with support by an adult. Once visitation is complete, the Activities team will disinfect area to ensure all high touch areas are sanitized and cleaned before others would be permitted to use the visitation station. Internal visitation will be conducted only after 14 consecutive days of no new positive cases of COVID-19 with employees or residents. Once this is achieved visitation will be restricted to the following guidelines:

We ask you adhere to all guidelines during your visit to ensure the safety and well-being of the residents of Christ the King Manor. They are as follows:

- We ask you contact the Activities Department to schedule the time to visit so that we can be prepared in advance to conduct screening requirements.

All visitors must be screened (temperature check, questionnaire, hand hygiene and wear face mask)

- Face masks must be worn at all times during the visit. PLEASE DON'T remove your mask at any time during your visit. COVER ENTIRE NOSE AND MOUTH.
- All visitors are only to be in the resident room or activities room for your visit. Please do not go into other resident rooms, dining rooms or common areas. We ask you go directly to the residents' room when you enter and when you leave directly to the main entrance.
- We ask you wash your hands prior to your visit and after to help avoid the spread of infections.

Compassionate Care Visits Visits for compassionate care, such as an end-of-life situation or a resident in decline or distress should be allowed at all times for any resident (vaccinated or unvaccinated), regardless of the above scenarios. In addition, facilities and visitors should continue all infection prevention and control practices.

VISITATION PLAN

40. WHAT IS THE ALLOWABLE NUMBER OF VISITORS PER RESIDENT BASED ON THE CAPABILITY TO MAINTAIN SOCIAL DISTANCING AND INFECTION CONTROL?

Christ the King Manor has outdoor visitation stations, 3 in main activities areas and 1 in Memory Support Unit. Visitation stations are scheduled with the activities department and are limited to 45 minutes or longer if appropriate. All visitors are required to adhere to current directive from the Department of Health recommendations for masking, hand hygiene and screening protocols. Directed to only stay in the location designated by the Activities team, resident is then brought out to the visitation station which is constructed with plexus-glass on three sides and additional barrier is placed on visitation station to denote parameters for visitors to be. CTKM limits the number of visitors to 2 at time and children are permitted only with support by an adult. Once visitation is complete, the Activities team will disinfect area to ensure all high touch areas are sanitized and cleaned before others would be permitted to use the visitation station.

Internal visitation will be conducted only after 14 consecutive days of no new positive cases of COVID-19 with employees or residents. Once this is achieved visitation will be restricted to the following guidelines:

We ask you adhere to all guidelines during your visit to ensure the safety and well-being of the residents of Christ the King Manor.

They are as follows:

- We ask you contact the Activities Department to schedule the time to visit so that we can be prepared in advance to conduct screening requirements.
- All visitors must be screened (temperature check, questionnaire, hand hygiene and wear face mask) • Face masks must be worn at all times during the visit. PLEASE DON'T remove your mask at any time during your visit. COVER ENTIRE NOSE AND MOUTH. • All visitors are only to be in the resident room or activities room for your visit. Please do not go into other resident rooms, dining rooms or common areas. We ask you go directly to the residents' room when you enter and when you leave directly to the main entrance. • We ask you wash your hands prior to your visit and after to help avoid the spread of infections. •

Compassionate Care Visits Visits for compassionate care, such as an end-of-life situation or a resident in decline or distress should be allowed at all times for any resident (vaccinated or unvaccinated), regardless of the above scenarios. In addition, facilities and visitors should continue all infection prevention and control practices.

41. DESCRIBE THE ORDER IN WHICH SCHEDULED VISITS WILL BE PRIORITIZED

Christ the King Manor prioritizes compassionate care visits. All other residents the Activities team will support at least once a week or more frequently as necessary. Those residents that do not have families CTKM has the Priest and activities team spend time visiting to support them.

42. DESCRIBE HOW THE FACILITY WILL DETERMINE THOSE RESIDENTS WHO CAN SAFELY ACCEPT VISITORS AT STEP 2 (CONSIDERING SUCH SAFETY FACTORS AS EXPOSURE TO OUTDOOR WEATHER AND TRANSPORTING RESIDENT TO VISITOR LOCATION)

Christ the King Manor will determine those residents who can safely accept visitors by those residents that have received the COVID-19 vaccine and who have experienced COVID-19. Full protection with screening, wearing appropriate PPE, monitoring for signs or symptoms with visitors, and compliance with adhering to social distancing and hand washing.

43. DESCRIBE THE OUTDOOR VISITATION SPACE FOR STEP 2 TO INCLUDE THE COVERAGE FOR SEVERE WEATHER, THE ENTRANCE, AND THE ROUTE TO ACCESS THE SPACE

Christ the King Manor visitation station are located on the activities patio; the patio is covered with a roof. If weather is too severe then visit is postponed until a later date.

STEP 2

VISITATION PLAN

STEP 3	<p>44. DESCRIBE HOW A CLEARLY DEFINED SIX-FOOT DISTANCE WILL BE MAINTAINED BETWEEN THE RESIDENT AND THE VISITOR(S) DURING OUTDOOR VISITS</p> <p>Christ the King Manor visitation stations are space more than six feet apart to ensure meeting guidelines with CDC and DOH requirements.</p>
	<p>45. DESCRIBE THE INDOOR VISITATION SPACE THAT WILL BE USED IN THE EVENT OF EXCESSIVELY SEVERE WEATHER TO INCLUDE THE ENTRANCE AND THE ROUTE TO ACCESS THE SPACE</p> <p>Christ the King Manor indoor visitation space will be in the Activities room, all indoor visitation will have the presence of employee to monitor, visitation pockets will be created to ensure proper distancing is maintained. Visitors will be screened, temperature taken, hand hygiene completed and appropriate PPE on at all times. There will be a limit to two visitor per resident indoors as to ensure social distancing.</p>
	<p>46. DESCRIBE HOW A CLEARLY DEFINED SIX-FOOT DISTANCE WILL BE MAINTAINED BETWEEN THE RESIDENT AND THE VISITOR(S) DURING INDOOR VISITS</p> <p>Christ the King Manor will define six-foot distance will be maintained for residents and visitor during indoor visit by creating a defined barrier that provides a clear parameter to maintain distance. CTKM Activities staff or designee will be responsible to monitor during visitation hours. IF visitors are in the residents rooms, they will be provided detailed rules of maintaining social distancing, wearing face mask, hand washing and not permitted in any other location of the facility unless escorted by CTKM Employee</p>
	<p>47. DESCRIBE HOW THE FACILITY WILL DETERMINE THOSE RESIDENTS WHO CAN SAFELY ACCEPT VISITORS AT STEP 3 (CONSIDERING SUCH SAFETY FACTORS AS TRANSPORTING RESIDENT TO VISITOR LOCATION)</p> <p>Christ the King Manor will determine those residents who can safely accept visitors by ensuring they are not exhibiting any signs or symptoms of COVID-19 or any other health related conditions that would require isolation precautions to be taken.</p>
	<p>48. WILL OUTDOOR VISITATION BE UTILIZED AT STEP 3? IF NO, SKIP TO QUESTION #52</p> <p>Click or tap here to enter text.</p>
	<p>49. DESCRIBE THE OUTDOOR VISITATION SPACE FOR STEP 3 TO INCLUDE THE COVERAGE FOR SEVERE WEATHER, THE ENTRANCE, AND THE ROUTE TO ACCESS THE SPACE (IF THE SAME AS STEP 2, ENTER "SAME")</p> <p>Christ the King Manor visitation station are located on the activities patio; the patio is covered with a roof. If weather is too severe then visit is postponed until a later date.</p>
	<p>50. DESCRIBE HOW A CLEARLY DEFINED SIX-FOOT DISTANCE WILL BE MAINTAINED BETWEEN THE RESIDENT AND THE VISITOR(S) DURING OUTDOOR VISITS (IF THE SAME AS STEP 2, ENTER "SAME")</p> <p>Same</p>
	<p>51. DESCRIBE THE INDOOR VISITATION SPACE THAT WILL BE USED TO INCLUDE THE ENTRANCE AND THE ROUTE TO ACCESS THE SPACE (IF THE SAME AS STEP 2, ENTER "SAME")</p> <p>SAME</p>
	<p>52. DESCRIBE HOW A CLEARLY DEFINED SIX-FOOT DISTANCE WILL BE MAINTAINED BETWEEN THE RESIDENT AND THE VISITOR(S) DURING INDOOR VISITS (IF THE SAME AS STEP 2, ENTER "SAME")</p> <p>Christ the King Manor has positioned all visitation stations more than six feet apart to adhere to CDC and DOH guidelines.</p>
	<p>53. FOR THOSE RESIDENTS UNABLE TO BE TRANSPORTED TO THE DESIGNATED VISITATION AREA, DESCRIBE THE INFECTION CONTROL PRECAUTIONS THAT WILL BE PUT IN PLACE TO ALLOW VISITATION IN THE RESIDENT'S ROOM</p> <p>Once visitation is complete, the Activities team will disinfect area to ensure all high touch areas are sanitized and cleaned before others would be permitted to use the visitation station.</p>

VOLUNTEERS

In Step 2, volunteers are allowed only for the purpose of assisting with outdoor visitation protocols and may only conduct volunteer duties with residents unexposed to COVID-19. In Step 3, all volunteer duties may be conducted, but only with residents unexposed to COVID-19. Screening, social distancing, and additional precautions including hand hygiene and universal masking are required for volunteers.

54. DESCRIBE INFECTION CONTROL PRECAUTIONS ESTABLISHED FOR VOLUNTEERS, INCLUDING MEASURES PLANNED TO ENSURE VOLUNTEERS DO NOT COME INTO CONTACT WITH RESIDENTS EXPOSED TO COVID-19

Christ the King manor will ensure infection control precautions are established with volunteers but providing education prior beginning their time within the facility. All resident exposed with COVID-19 or in isolation precaution rooms are designated with signage to indicate the necessary precautions needed.

55. DESCRIBE THE DUTIES TO BE PERFORMED BY VOLUNTEERS DURING STEP 2

Volunteers at CTKM will not work directly with those resident with COVID-19 or presumed cases. Duties will be determined by the need with the Activities Director. Examples of duties to perform would include transportation to activities, face time visits set up with families, visitation station monitoring, providing mail, delivery of flowers, etc.

ATTESTATION

The Nursing Home Administrator (NHA) is responsible for the accuracy of the Implementation Plan and the facility's adherence to it. Upon completion of blocks 1-57, the Implementation Plan should be printed and the signature and date affixed by the NHA in block 58.

56. NAME OF NURSING HOME ADMINISTRATOR

Paula Felton-Werner, CEO/ Chief Administrator

57. ATTESTATION

I attest that the information provided in this Implementation Plan is an accurate representation of the facts and that this facility will adhere to the Implementation Plan as written. I further attest that the county in which this facility is located is in a Yellow or Green phase per the Governor's Reopening Plan. This Implementation Plan will be posted on our website (if one exists) or made available to all residents, families, advocates such as the Ombudsman and the Department upon request. This facility will progress to the next step of reopening only when the criteria is met as described in the *Interim Guidance for Skilled Nursing Facilities During COVID-19*. If at any point during reopening the facility fails to meet the criteria for reopening, I will ensure the facility ceases reopening immediately. Further, if at any point during reopening this facility is operating under a contingency staffing plan, I will ensure the facility ceases reopening immediately.

SIGNATURE OF NURSING HOME ADMINISTRATOR
